

ALL TIME ROSTER

ARGONAUTS ALUMNI ASSOCIATION

The Alumni would like to congratulate GM & Head Coach Jim Barker on his selection as CFL Coach of the Year in 2010. It is our hope that the nucleus from last year, a good draft and new acquisitions will propel the team to a Grey Cup championship in 2011.

We will miss long time Argos Chester 'Cookie' Gilchrist and Bobby Kuntz, both captured the hearts and minds of the city when they wore Double Blue. We would also like to send our best to Adriano Belli who has entered retirement. Belli gave us many great years on the field and in the community.

The Alumni is off to a good start in 2011. Increased membership, a well attended reunion for Toronto area alum in April and a sold-out golf tournament in June have been the highlights. We are also looking forward to the 20th anniversary reunion of the 1991 Grey Cup championship team in September. It will be fun reliving that outstanding victory and remembering the heroics of the players as they battled on the frozen tundra in Winnipeg.

The objectives of the Alumni, are as follows:

- To promote the heritage of the Toronto Argonauts Football Club the CFL and the Canadian Football Hall of Fame.
- To promote amateur football.
- To provide social and recreational activities for the membership.
- To advance our relationship with the community at large through community based initiatives.
- To support charitable organizations.

If the Argos Alumni can be of service to you then please do not hesitate to call. I look forward to another exciting season of Argonauts football as we celebrate our 138th season.

Warmest regards,

Pete Martin
